Acknowledgement

I am pleased to present this project, “*Gujarat Vidyapith Chatbot*,” developed as part of the MCA (Semester 3) curriculum at Gujarat Vidyapith. I express my deep gratitude to **Dr. Neepa Shah**, Professor, Department of Computer Science, for her consistent guidance, encouragement and expert insights throughout the development of this work. Her support helped me understand the practical aspects of chatbot systems and complete this project with clarity and confidence.

I am also thankful to the faculty members of the Department of Computer Science for providing a supportive academic environment that motivated me to explore, learn and innovate.

I extend my sincere thanks to my friends and classmates, who continuously encouraged me, discussed technical challenges with me and helped in testing various parts of the system. Their cooperation and teamwork significantly contributed to the successful completion of this project.

Lastly, I appreciate everyone who supported me directly or indirectly during this journey. Their help, even in small ways, made a meaningful impact.
